Meet the healthiest gummy on the market today, Sensi Gummies! If you're looking for great taste, plant-based and less sugar, and a great cannabis experience, Sensi Gummies is for you! Infused with nutrient-rich Omega 3 from algae for brain, heart, joint, and eye health. Research shows that Omega 3 molecules bond with cannabis to help process and absorb cannabis more completely and keep our endocannabinoid system in balance. Sensi Gummies have a special low-sugar formula that reduces unnecessary sugars, 100% Vegan, and all-natural ingredients. It also contains full spectrum CO2 solventless extract for the best effects and a clean high. Unlike other edibles that use distillate which strips away most minor cannabinoids and terpenes, full spectrum extract is closest to the original plant, so all the cannabinoids go to work to help relax muscles and stress, reduce inflammation, and enhance the overall experience. And Sensi Gummies don't melt like other gummies. Enjoy Sensi Gummies anytime of the day!
